VIKTOR [x]

Comments: [i] Almost certainly refers to Marion DAVIS, who on 5th December 1944 was reported to have been allotted the covername "LU" by NEW YORK, where she was being cleared through "ZORA" [Flora Don WOVSCHIN] prior to being drawn into active work. [S/NBF/T22, Item 6].

[ii] STRANIL: the USA.

[iii] DEREVNYA: Mexico.

[iv] KONKURENTY: members of a non-Soviet intelligence organisation.

[v] "YuRIJ" [possibly Lev A. TARASOV] was the MGB resident in MEXICO CITY at this time.

[vi] TIR: NEW YORK, N.Y.

[vii] KARFAGEN: WASHINGTON, D.C.

[viii] On 12th January 1945 NEW YORK informed MOSCOW that "LU" [Marion DAVIS] had received orders from the "KALIF" [probably the Office of the Co-ordinator of Inter-American Affairs] to take up work in CARTHAGE [i.e. WASHINGTON] on 11th January. In view of this, NEW YORK requested MOSCOW to "work out the sending of [or a letter of recommendation] from YuRIJ or sanction signing on LU through ZORA". This was extremely important as LU was beginning work. [S/NBF/T22, Item 9]. It would appear from the present message that YuRIJ [the MGB resident in MEXICO CITY] had planned a trip to NEW YORK and WASHINGTON [compare the message to MEXICO CITY from MOSCOW dated 15th November 1944 which implied YuRIJ's pending absence from MEXICO CITY - S/NBF/T539], but apparently the trip had still not taken place by 12th January 1945, thus necessitating NEW YORK's request that YuRIJ's letter of recommendation [of "LU"] be sent.

[ix] Not available.

[x] VIKTOR: probably Lt-General P.M. FITIN.

[X1] GOLIKOV, Peter alekseevich, was chief of the dept. of marine trans. of the Naval, Marine trans. Div., Soviet Govt. Purchasing Comm., Wash. D.C. from 1942 to Oct. 1946.
